

STAP Equipment List

Updated as of 10/25/2020

Disclaimer : The purpose of this list is to provide information regarding the approved devices currently provided by STAP vendors. Please contact the [STAP Vendor Specialist](#), if you have questions regarding the approval of a specific device not identified on the list or if there are devices on the list that need to be modified or discontinued. Please refer to the category descriptions for required specifications of devices provided under each voucher category located [HERE](#)

**Please note, for the Speech Generating Devices (SGD's), software must be included with the device in order to be considered eligible for reimbursement.
